## Native Kelp Farmer Training & Harvest Workshop

*June 15-18th, Cordova. AK*

Learn how to get started as a kelp farmer as The Native Conservancy leads us on a tour through an active farm site, provides hands-on harvest and processing lessons, and shares about the day-to-day life of a kelp farmer!

**Apply By May 30th!**

**Contact us at (360) 480-5461 or [mnix@ecotrust.org](mailto:mnix@ecotrust.org)**

*All travel, lodging, and food will be covered by Spruce Root through generous support from the USDA's Native American Agriculture Fund*

### **MARICULTURE FELLOWSHIP OPPORTUNITY**

Participants who are selected for this workshop and complete it will be invited to apply for Spruce Root's 2022 Mariculture Fellowship Program that includes stipends and planning assistance
