SOUTHEAST
SITKA CAMPUS

ALASKA AQUACULTURE SEMESTER

Study sustainable ocean farming
at UAS Sitka campus

**2024
FALL
SEMESTER**

AUGUST 26-
DECEMBER 14

WHY SITKA?

Sitka is a stronghold for Alaska aquaculture due to its pristine waters and protected coastline.

Our program offers hands-on, practical, and occupational training with Pacific salmon hatcheries, seaweed and shellfish hatcheries and farms in Sitka and the greater Southeast Alaska region.

Hands-on Learning & Research

Alaskan Salmon Culture ✓

Intro to Mariculture ✓

Fish Pathology ✓

Aquaculture Internship & Lab ✓

Small Vessel Operator ✓

Outboard Motor Maintenance ✓

Cold Water Survival ✓
